

## International Teaching and Research Fellowship

Pädagogische Hochschule Heidelberg (Heidelberg University of Education)

**THE PÄDAGOGISCHE HOCHSCHULE HEIDELBERG**  
(Heidelberg University of Education)

hereby certifies that

**Professor Dan Maclsaac, Ph.D.**

has completed the International Teaching Fellowship  
in the field of Teacher Education  
for the period from May 26 to July 2.

Professor Dan Maclsaac has lectured a seminar on the topic of

*“Powerful Ideas and quantitative Thinking in Electricity and Magnetism”*

and has given public lectures on the topics of

*“Modeling Physics in the US”*

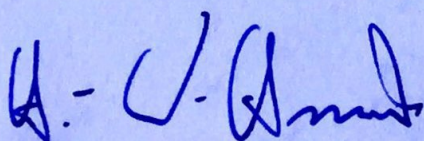

*“An Introduction to Research on Physics Teacher Preparation for Teachers”*

as well as a talk within the lecture series “Bildung bitte!” together with Kathleen Falconer:

*“Democratizing classroom interaction and improving learning effectiveness.”*

We would like to express our appreciation for his special contribution to the  
Internationalization of Teacher Education at the Heidelberg University of Education.

Heidelberg, 02/07/2019

Prof. Dr. Hans-Werner Huneke  
Rector of Pädagogische Hochschule Heidelberg  
Heidelberg University of Education
