

# NSF-Noyce WNY Partnership for New Science and Math Scholars

## *Scholarship/Stipend Agreement*

This is to confirm that I, \_\_\_\_\_, understand that I have been awarded a NSF-Noyce WNY Partnership for New Science and Math Scholars (Scholarship/ Stipend) of \$\_\_\_\_\_ for one year from SUNY-Buffalo State College, enabling me to participate in the post-baccalaureate certification program in mathematics/ science education. In order to receive this award, I certify that I am a United States citizen, national or permanent resident alien. I understand that undergraduates may receive scholarships for up to two years.

Furthermore, I understand that, in order to retain this stipend, I must satisfy the following conditions:

1. I must complete the certification program within 2 years.
2. I must complete 2 years of mathematics or science teaching in a high need school district as defined in the Noyce program (preferably in New York State) within 6 years after graduation or completion of the program.

I understand that if these conditions are not met, I will be required to forfeit the full stipend (or an amount pro-rated according to the partial service completed in #2, above) and to repay the NSF the amount of the scholarship received plus 5% (fixed annual interest).

Furthermore, I understand that, upon graduation, I am required annually (until the 2 year service requirement has been met) to supply SUNY-Buffalo State College with the following:

1. Updated contact information.
2. Certification of employment.
3. Completion of surveys and other evaluation instruments.

I hereby accept these conditions and accept this award.
